Subject: Extension of last date of EOI for commercialization of technologies developed by CSIO under CSIR Mission Mode Project on Medical Instruments & Devices

With reference to EoIs published on March 15, 2023 at CPP portal to identify the suitable industry partner for commercialization of following technologies developed by CSIO under CSIR Mission Mode Project on Medical Instruments & Devices, the Monitoring Committee of the project suggested to extend the last date for submission of EoI, so that sufficient number of industries may participate in the call.

1. Call for Expressions of Interest for Photothermal Based Sterilization Disinfection Device (**Tender Id - 2023_CSIR_148930_1**)
2. Call for Expressions of Interest for Dialysis Machine for Haemodialysis of Chronic Kidney Disease Patients (**Tender Id - 2023_CSIR_148943_1**)
3. Call for Expressions of Interest for Diagnostic System for Detection of Circulating Tumour Cells (CTC) (**Tender Id - 2023_CSIR_148958_1**)
4. Call for Expressions of Interest for Robotic Gait Trainer for Rehabilitation (**Tender Id - 2023_CSIR_148962_1**)
5. Call for Expressions of Interest for Rehabilitation Training System for Cerebral Palsy Population (**Tender Id - 2023_CSIR_148968_1**)
6. Call for Expressions of Interest for Vascular Sclerotherapy Guidance and Assistance Tools (Vascu-Guide) (**Tender Id - 2023_CSIR_148971_1**)
7. Call for Expressions of Interest for Thermal imaging based non-invasive technique for diagnosis of Knee OA (**Tender Id - 2023_CSIR_148974_1**)
8. Call for Expressions of Interest for Computer Aided Diagnosis (CAD) System for Compartment Syndrome (**Tender Id - 2023_CSIR_148978_1**)
9. Call for Expressions of Interest for the Dristiscope-an operating microscope (**Tender Id - 2023_CSIR_148983_2**)
10. Call for Expressions of Interest for Additive Manufactured Pelvis Revision Surgery Implants (**Tender Id - 2023_CSIR_148986_1**)
11. Call for Expressions of Interest for Lattice Cone Acetabular Cup (**Tender Id - 2023_CSIR_148988_1**)

In view of this, the competent authority has extended the last date for participation in call for EoI upto April 30, 2023 for the above technologies:
